Squirrels are evil
By Ilan Squirrellite Kelman

Squirrels are evil.
Never ever.
Forget that.

When you least expect it.
They get you.

One moment.
You're ambling along.
Squirrelly as day.
Squirrelly as night.
Squirrelly as dawn.
Squirrelly as dusk.
Squirrelly as any other time of the 24-hour cycle whether or not the sun shines.
Then
When
suddenly

phhhhwwwwwwhhpppppppp
That's it. Forever.
Also never ever.
Forget that.

There is
no
going back.

Squirrels are evil.
