Book

(1999) *Development in Disaster-prone Places: Studies of Vulnerability*. Intermediate Technology Publications (Practical Action) London.

Electronic format includes five case studies of vulnerability description and analysis:

- Volcano in Tonga
- Some perspectives on natural disaster vulnerability in Tonga
- A multi-hazard history of Antigua
- Vulnerability to a cyclone: Damage distribution in Sri Lanka
- Change, and vulnerability to a natural hazard: Chiswell, Dorset.

Book chapter

(2016) *Learning from the history of disaster vulnerability and resilience research and practice for climate change*. Natural Hazards. Chapter in: *Vulnerability Assessment in Natural Disaster Risk: A Dynamic Perspective*. Springer. Ilan Kelman, JC Gaillard, James Lewis, Jessica Mercer.
